

Dear LCPCM Members and Friends,

Just touching base with a few reminders. Did you know that a membership card is available to current LCPCM members! Login to the website, scroll to the bottom of the home page. You will see a yellow bar below the membership section, click on "Edit your member profile" and you will be taken to the page where you can print your own card.

This fall we will be adding additional supervision classes, a variety of webinars, Q&A sessions for students, and a Save the Date Calendar. Be sure to check the website periodically for updates.

See below for more information on committees, the ListServ, and the Federal no Surprise Act. Please contact me at mylcpcm@gmail.com if you have any questions or need further information.

Dr. Sandra Lynch Ervin, LCPC, NCC, ACS

Dr. Sandra "Saunie" Lynch Ervin has practiced in the mental health field for several decades. She is a Licensed Clinical Professional Counselor in the state of Maryland, and the District of Columbia, a National Certified Counselor, and a Board Approved Clinical Supervisor. Additionally, she has provided organizational development consultation to numerous agencies exploring innovative ways to elevate employee productivity. Over the years she has spearheaded countless national programs involving depression, anxiety, alcohol, and sexual assault awareness, stress management, and crisis intervention. Dr. Lynch Ervin provides graduate-level clinical supervision for counseling students. She is a strong advocate of ethical principles and encourages her students in clinical supervision to maintain their professionalism through sound judgment, respect for self and others, and above all, create change through projective visionary growth.

In 2016, Saunie retired from her tenure at Prince George's Community College as Counseling Services professor and founder. Currently, she is the secretary for the board of LCPCM, and chair of the Student/University Liaison Committee. Her passion for students stems from her expertise in working with college students. Dr. Lynch Ervin has brought that passion to LCPCM as she and her committee spearhead a new outreach project to adopt partnerships with counseling and mental health programs in Maryland that are preparing students through the journey of being a student, to becoming a Licensed Graduate Professional Counselor (LGPC), to finally becoming fully licensed as a Licensed Clinical Professional Counselor (LCPC).

Dr. Lynch Ervin and the committee invite professionals and students to join us as we build constructive relationships with institutions across Maryland. Come join us by contacting Dr. Lynch Ervin at: drslynchervin@gmail.com. We are looking forward to having you become a part of this endeavor!

Each month we will feature a member of LCPCM and ask them to share with us information about their work, inspiration, and self-care.

If you would like to be featured, send a picture and a short summary to mylcpcm@gmail.com.
